Bolivar Water Supply Members:

We are taking steps to maintain the health and safety of our members as well as our employees as our nation deals with the COVID-19 pandemic.

Office lobby will be temporarily **closed**. However, our drive-thru window will remain open and our customer service personnel are also available by phone or email.

If you haven't already done so, we also encourage you to set up an online account through our website at www.bolivarwatersc.com. If need assistance with your account setup, please do not hesitate to call / email.

We will move through this challenging situation together. BWSC will continue to alert members of any necessary changes.

Thank you,

Bolivar WSC
