NOTICE OF FEE INCREASE

8/19/2025

To Whom It May Concern

This letter serves as formal notice of a change to the installation fee charged by Bolivar Water Supply Corporation.

Effective **October 1, 2025**, the installation fee for a standard residential 3/4" meter will increase from \$800 to **\$1,500**. Adjustments to installation fees for equivalent meter sizes will also apply.

This increase reflects the rising costs of materials, labor, and equipment. In order to keep pace with these costs and to ensure we can continue providing reliable service, an adjustment to our installation fees has become necessary.

All installation requests submitted on or after October 1, 2025 will be subject to the updated fee schedule. Requests received prior to this date will be honored at the current \$800 rate.

We appreciate your understanding. Should you have any questions regarding this change, please contact our office at 940-458-3931 or brandi@bolivarwatersc.com

Sincerely,

Brandi Boggs
General Manager
